

WAYS TO FINANCIALLY SUPPORT LANCASTER MENNONITE CONFERENCE

Time. Time is money. You help save expenses by volunteering your time. Committees, seminars and office jobs--all benefit from volunteers.

Cash. We are always glad to receive cash gifts. Please drop your cash in the offering plate or drop it off at the Conference Office. Do not send cash through the mail.

Check. Make checks payable to Lancaster Mennonite Conference.

Credit Card. To give by credit card, visit our website and click on the donate button. The secure processing is handled by PayPal. We are not able to process credit cards at the Conference Office.

Online. Visit our website and click on the donate button. You need to use a credit card to give online. The secure processing is handled by PayPal. A tax receipt will be mailed to you from LMC. One time or regular recurring gifts can be made this way.

Electronic Funds Transfer (EFT/ACH). Request and fill out a form to authorize monthly direct payments from your bank account to LMC's bank account. These transactions are handled by Everence Federal Credit Union at no cost to you. You can change amounts or stop transfers at any time. Use this method of giving no matter what bank you use. A year end receipt will be sent to you.

Automatic Monthly Giving. Both options above allow for regularly recurring giving with a one time set up. Also most banks now offer on-line banking services that you can use to send one time or regularly recurring gift amounts. All of these can be changed at any time if the need arises.

Annuity. Annuities are a good way to retain current income from ones investments and also benefit a charity with the remainder following ones death. Use an Everence annuity so you can designate several charities as beneficiaries rather than just one. Include LMC as one of these beneficiaries.

Will. Consider including LMC as a beneficiary in your will.
