

Discovery Will Change Your Life!

What is Discovery?

Discovery is an eight-session class that will help followers of Jesus connect in a deeper, fuller way with God and his plans for your life. The experience is for **anyone** seeking a deeper walk with Jesus & includes young adults, pastors, leadership teams, emerging leaders, teachers, church boards and elder teams.

Discover your life's purpose

Discovery seeks to help Christians hear the voice of God, better know themselves, and plan for growth toward what each person hears God calling them to do. In this respect, Discovery is both basic discipleship and leadership training. If you would like to offer Discovery in your congregation contact the LMC office for help in getting the study up and running.

The cost for Discovery is \$35 and includes the sessions, the Discovery Handbook, & the book "*Network: The Right People, In the Right Places, For the Right Reasons.*" Discovery is also available in Google Classroom
