

## resource partner organizations

**Organizations that serve as a resource partner closely identify and support LMC's mission.**

Every dollar given to EMM supports its workers and staff as they respond to Christ's transforming love which compels us to cross cultures, engage the world, and make disciples of Jesus.

Friendship Community is a Christian ministry cultivating capabilities of Individuals with Intellectual Disabilities and Autism. Every dollar donated directly benefits the Individuals supported through our residential services, day programs, and life enrichment opportunities. Together, we can Impact the World with Capabilities!

Preserving and telling the stories that build God's church from the Bible to the Martyrs Mirror; from Mennonite theology to family history. \$20 per member helps with educational programs, museum, library, and church archives during the year.

Landis Communities enriches lives by following God's call to creatively serve the diverse needs and interests of older adults by developing opportunities and collaborative relationships. A gift of \$250 to Landis Homes and \$145 to Welsh Mountain Home will help a resident receive a day of high-quality, compassionate care and peace of mind, even after their finances have been depleted.

**All partner-related offerings should be sent directly to the organization.**

## Does your congregation send the same amount of support to LMC each month or quarter?

LMC can receive online donations through ServantKeeper, a secure online giving portal. Donations by credit/debit card or automatic bank transfer can be easily set up as one-time or recurring giving through this online giving portal.

We encourage you to consider this option for your personal or congregational giving to LMC!
